Changes to your contact details

If any of your contact details change during the season, please update them on the website (once logged in through the 'Ref Sign On' link, select 'My Details'), and advise both the Secretary and the Appointments Committee of your new details.

Tip: Log on to the website at the start of the season, check your details and update if necessary.

In the event of lightning use the '30-30' rule²

When lightning is sighted, count the time until thunder is heard. If that time is 30 seconds or less, the thunderstorm is within 10km and is dangerous. As most experts believe that the 'safe' distance is no less than 10km, all people at risk should be seeking, or already inside safe shelters. This is the time at which matches should be suspended. Play can resume when the '30- 30' rule has been satisfied. Remember that in ESFA there is no stoppage time, and if the game is abandoned, post an incident report to both the Referees Coordinator and ESFA (extreme weather).

Online card reporting

ALL caution and send off reports, as well as incident reports, for ESFA games will be submitted online (via the website).

All send-off reports and incident reports for non-ESFA games must be submitted via email to the Referees Manager on the appropriate forms available on the ESFA website by 5:00 pm the next business day. The Referees Coordinator will forward the reports to the appropriate body. Forms are available in the library of the ESFA Referees Branch website.

¹ Unless otherwise advised.

² Per Soccer NSW Policy 04/01 (issued 15/03/2004).

Part C: Appointments

Please note that these instructions apply to **all games**.

How do I get my appointments?

ALL appointments will be initially posted online. Appointments will NOT be advised by post, phone or email.

Appointments may be changed in accordance with your availability, if required, up until Friday 5pm.

Go to www.esrefs.com.au and click 'Ref Sign On' on the menu bar (left hand side of the page). Log on with your username and password and then click 'Appointments' on the menu bar. Under 'Appointments', click 'My Upcoming'. Print or make a note of your appointments.

Appointments are generally uploaded on Tuesday night by 7pm. If there is a delay, a message will be placed on the website. Please check your appointments from this time onwards.

All available referees should get at least one game. If you haven't received appointments by Thursday, call the Referees Coordinator on 8347 8803.

If you need to change your availability this must be up to the Friday preceding the match (i.e. 1 week before)

What you need to do:

Tell us about any restrictions to your availability as far in advance as possible.
To do this:

Email referees@esfa.com.au or
Call 8347 8803

Note: We need to know your name, referee ID number, contact phone number and full details of your unavailability.

Advising us of your unavailability any later than a week before is considered a withdrawal. Refer to Withdrawal instructions below.

Withdrawals up until 6pm Friday

What you need to do

Fill out the "Withdrawal From Appointments Form" and email to referees@esfa.com.au

What the Committee will do

One withdrawal can create an hour of work and 10 or more phone calls for the Appointments Committee in reshuffling

What the Committee will do:

We will assume you are available as you have advised, unless we hear otherwise.

We will use the contact details you provided at the start of the season. If they change, please tell us immediately.

Email addresses in particular are often changed – please let us know as email can be a quick and easy way to contact you.

appointments. We understand that emergencies arise, but in many cases the referee has known about a situation for a while before telling us. Please help us to help you! **Penalties will apply.**

Withdrawals after 5pm Friday (Emergencies)

What you need to do:

If you need to withdraw, then you need contact a 'buddy' referee to cover your game. If the game is not covered then you will be fined for non-attendance.
DO NOT EMAIL.

 You **MUST** also fill out the "Not attendance of Appointments Form" and email to referees@esfa.com.au after the match.

What the Committee will do:

When a withdrawal happens we will adjust appointments as far as possible. If we have to move other referees we will call them.

Penalties will be imposed for repeated withdrawals or withdrawals with insufficient reason.

Refereeing additional matches

What you need to do:

If you referee a game you weren't appointed to, let us know afterwards.

You **must not** volunteer to do uncovered games that are a higher level than you have previously been appointed without contacting a member of the Appointments Committee or Management Committee and obtaining permission. Junior ARs can still run the line with an unofficial referee, but must not attempt to referee the game.

What the Committee will do:

Update the match database to ensure appropriate payments are made at the end of the month.

You **WILL** be paid for doing this!

Wet weather

Announcements will only be made if grounds are closed. You can check for wet weather announcements in any of the following ways:

- Check the ESFA Website for messages (<http://www.esfa.com.au/Wetweather.aspx>)
- Call the Wet Weather Line – 8347 8806
- SMS "ESFA" to 19922767 (incurs 55c fee)
- Follow on Twitter @ESFAWetWeather

If you feel a ground is unsafe for play, please notify the RTOs of the competing teams and contact a member of the branch management committee who will advise ESFA on your behalf and provide advice. You do not have the power to prevent a game starting with an unofficial referee. This is the duty of ESFA.

Prior to the Game

Please turn up for all games **30 minutes** prior to scheduled kick-off unless you have discussed any close clashes previously with the Appointments Committee.

Part D: ESFA games

ESFA contact details

Postal address for team sheets:

Suite 407, Level 3, Office Tower, Westfield Eastgardens,
152 Bunnerong Road, Eastgardens NSW 2036

The deadline for ESFA receiving all team sheets is 5pm on the Tuesday following the game. If you miss the post, prior to the deadline you must hand deliver them to the ESFA office at Botany.

Tip: post team sheets by **Sunday night** so they arrive on time. Members will be fined and possibly suspended if they fail to complete their administrative responsibilities as instructed.

Team Sheets

- There will be two (2) team sheet per game in 2012. One per team.
- Each team is responsible for providing a pre-printed team sheet that will list player names. Both teams must fill in shirt numbers prior to the game.
- The visiting team may provide a blank team sheet where the home team does not provide the official sheet. Names and numbers must be completed prior to the commencement of the match. No names or numbers may be added once the match commences.
- Players are not required to sign the team sheet!
- Player numbers must be completed by each team PRIOR to the match commencing. Player numbers cannot be added once a game has commenced except to allow a team to reach 11 players. Shirt numbers may be changed where a player named on the card is found to be wearing the incorrect shirt.
- A player without a shirt number on the card at the start of the match is not deemed to have started on the bench and may not come onto the field.
- Where more than 16 names appear on a team sheet (18 players for over 35's), DNP must be marked against each player not participating in the match PRIOR to the game commencing.
- Where there are 16 or less players playing DNP must be marked against a player who did not participate AFTER the match has finished.
- The referee must check the shirt number of any substitute entering the field and rectify any discrepancies before re-commencing play.
- The **Referee and Assistant Referees' names and ID numbers** must be **clearly printed** on the team sheet (otherwise you may not be paid for the game!).
- There is a column on the team sheet for caution and **send off codes**. Be consistent: write the same code on the team sheet as you use on the send off report and (if it was requested) advise the RTO of the player sent off. For a list of the codes, refer to Appendix B: Send off codes and Appendix C: Caution Codes.
- Referees **DO NOT** check player cards BUT should check the box indicating they have 'cited' a card check has been completed.
- **Post** the completed team sheet **to ESFA** (note the deadline – refer above).

Tip: if you need to submit a caution, send off or incident report, make a note of the relevant details from the team sheet prior to posting it!

You should **note any of the following on the reverse** of the team sheet:

- A team does not turn up;
- A team is late;
- Delays or problems in obtaining a team sheet;
- A team has insufficient players;
- A team is not in proper strip;
- A team does not supply a satisfactory ball;

- RTOs are not wearing their identification card;
- The ground is not properly dressed (markings, nets, corner posts and flags); or
- Anything else irregular.

Referee ID numbers

If asked at any point for your referee ID number, you are required to supply it. Do **not** volunteer your name. Provide your ESFA ID number for ESFA games and your FFA ID number for non-ESFA games.

Problems at the ground

If you have a problem with the crowd, substitutes, etc., you should seek assistance from the RTOs or RTOs who are identified by their ID cards.

If you believe the ground is unplayable, inform the officials of both teams and request that they rectify the problem. If the problem cannot be rectified, you **must** contact the ESFA Referees Branch Executive (refer page 2 for mobile numbers) and they will advise what action to take.

If a player requires ambulance attention or is seriously injured, you must submit an electronic Incident Report to ESFA (for receipt by 7pm Monday) on the website www.esrefs.com.au.

If you abandon or postpone a match where the clubs have not provided you with a match card please submit an incident report by 7pm Monday.

After the Match

For 2012, after the match, each official must enter the score online. This must be done by 12pm on the Monday following the game.

If the match is abandoned while you are at the field you MUST put 'x-x' as the score. Prior Match cancellations (such as due to wet weather) should be left blank.

To do this, log into the website and review your Appointments History. Next to each of your appointments will be a "Score" link, which you should click on. Enter the match score and click "Submit." **If you do not enter the scores for a game, you will not get paid.**

If a player is cautioned

The Referee MUST submit a caution report online by 5pm on the Monday following the game. If you need any guidance, contact the Referees Coordinator 8347 8803.

If you are an Assistant Referee you will not be required (but you may) to enter the player name and Registration Number online. However Team, Shirt Number and caution code MUST be completed as a minimum.

Note: If you send off a player for receiving **two cautions** in the same match, **do not submit** a caution report for that player. Instead, follow the instructions below for sending off a player.

If you send off a player

After the game, the RTO of the player you sent off should provide you with the player's ESFA registration card. Post this in to ESFA with the team sheet. If the situation is 'difficult' due to player behaviour, you may not be able to obtain that card. In this case, include that in your send-off report.

The RTO may also ask you for the send off code. Provide this if possible (refer Appendix B: Send off codes), **or else ask for the RTOs telephone number and supply the send off code and telephone number to the Referees Manager that evening** (refer below). Do not provide an opinion on the penalty that may be imposed. **Remember to note the send off code on the team sheet.**

For serious incidents, please also contact either the ESFA Referees Branch Executive (refer Part A: ESFA Referees Branch contacts).

You must also submit a send off report online by 5pm on the Monday following the game. The report should be written clearly and state only the facts AND must only be lodged via the website.

Assistant Referees must also submit send off reports online by 5pm on the Monday following the game. This is not necessary if the send off was for receiving a second caution (yellow card) in the match.

Incident Reports

You need to submit an Incident Report for extraordinary events, including: game abandonment (due to extreme weather, serious injury, etc.), pitch invasion, abuse of a referee/assistant referee (excluding abuse by a player where a player was sent off for the offence and a send off report submitted), ejection of a team official or spectator, or any other incident witnessed by a match official that warrants a report.

The incident report can be completed online by logging in, clicking on “Appointments” then “My History” and “Cards” for the respective match.

Your Incident Report should provide full details and descriptions of the matter being reported. **Assistant Referees must likewise complete and submit a report** of their observations of the incident.

Guidance on Incident Reports can be sought from the ESFA Referees Branch Management Committee (refer Part A: ESFA Referees Branch contacts).

If you wish to report a club official

Contact the Branch Chairman or Deputy Chairman (refer Part A: ESFA Referees Branch contacts) and discuss the matter. They will advise what action to take.

Medical alert bracelets **only** may be worn but must be taped securely to the wrist.

Rings:

All rings must be removed
This includes flat wedding rings
Taping or otherwise covering rings will not permitted under any circumstances.

Part E: ESFA competition rules affecting referees

This is a summary of the main By-Laws of the Eastern Suburbs Football Association that affect referees. By-Laws covering other competitions are different in many instances, so check before you referee games in those competitions.

Please note there is a NEW combined G16/18 Comp.

1. Duration of games, number of and upgraded players

Under 10 to Under 12	25 minutes each way, half time break of 5 minutes
Under 13 to Under 14	30 minutes each way, half time break of 5 minutes
Under 15 to Under 16	35 minutes each way, half time break of 5 minutes
<i>G16/18 Combined Comp</i>	<i>40 minutes each way, half time break of 10 minutes</i>
Under 17 & above	45 minutes each way, half time break of 10 minutes
Over 35 Men	45 minutes each way, half time break of 10 minutes
Over 35 Women	45 minutes each way, half time break of 10 minutes
All Age Men	45 minutes each way, half time break of 10 minutes
All Age Women	45 minutes each way, half time break of 10 minutes
Premier League	45 minutes each way, half time break of 10 minutes

Match delays / shortening of time

If the commencement of the game is delayed, the length of the delay should be halved and subtracted from EACH half of the match. Both team captains shall be notified of this cut in time at the toss. Premier League First Grade is the **ONLY** division in which injury/stoppage time is to be played. ALL other competitions have no stoppage time.

Where a team is unable to field the required number of players at the scheduled starting time of the match, the referee should note such on the rear of the team sheet. A match must be started as soon as both teams have 7 players ready to play. The referee must allow up to 10 minutes after the scheduled start time for the minimum number of players to arrive.

If play is suspended during the first half for any reason (injury, weather, pitch condition), time is run down until half time, players are advised of half time. If play cannot restart such that the 2nd half will be completed by the starting time of the next scheduled game then the game is abandoned and a report must be submitted to ESFA. The referee should note the time of any suspensions of play and the score at the time and include this in an incident report. The referee is to direct any questions about the match outcome to the club secretary. The referee cannot shorten the 2nd half in order to allow completion of the match.

If play is suspended during the 2nd half the clock shall continue and the referee shall blow full time at the completion of the game. An incident report shall be completed noting the reason for suspension, the time of suspension and the score at the time of the suspension. ESFA shall be responsible for determining the match outcome.

Minimum number of players

If at the end of 10 minutes there are not 7 players for either team the referee shall declare the match abandoned. Where a team takes the field with 7 or more players, should any of these players leave the field and are unable to be replaced (i.e. injury or sent off) and the team is reduced to less than 7 players then the game must be abandoned.

The referee should not declare the match a forfeit as this is for ESFA to decide. A detailed incident report should be submitted to ESFA when a match is abandoned.

Upgraded players

Players shall be allowed to play up in a match for the same club, and their registered grade and division shall be noted on the team sheet, provided that their original team is NOT in the same division as the higher team. Referees are to direct any questions from either team regarding this rule to the club secretary or ESFA to prevent any confusion.

2. ID Cards

Opposing team managers/RTOs are responsible for checking ID cards for players listed on the team sheet prior to kick-off. If a team fails to produce their ID cards prior to kick-off, the opposing team manager will request from the referee the team sheet to note this on the reverse. As referee, you should sign this to attest the ID cards were unavailable *prior to kick-off*. The game may be played and the Football Management Committee will determine the outcome. ID cards for substitutes are to be produced to the opposing team manager as the substitute is about to take the field. No individual player may play without first producing his ID card, except for registered Under 6, 7 or 8 players playing up a grade.

3. Number of Players, Interchange and Substitution of Players

Interchanges/substitutions shall take place within an area one metre either side of the halfway line, known as the 'interchange zone'.

SSG RULES - Under 8 to Under 11, 9 players on field, no offside, 3 player interchange

Under 12 to Under 18, 11 players on the field, unlimited player interchange, no more than sixteen (16) players may participate in any match for any one team.

Girls Under 12 to Under 18, 11 players on the field, unlimited player interchange, no more than sixteen (16) players may participate in any match for any one team.

Premier League & Premier Reserves it is permissible to **substitute five (5) players** during the game. Once a player has been substituted, he/she may not retake the field.

All Age Men & All Age Women, 11 players, unlimited player interchange, no more than sixteen (16) players may participate in the match for any one team.

Over 35 Men, 11 players on the field, unlimited interchange, no more than eighteen (18) players may participate in any match for any one team.

Over 35 Women there are 11 players on the field, unlimited player interchange, no more than eighteen (18) players may participate in any match for any one team.

The Substitution Procedure in Law 3 of the *Laws of the Game* shall be applied, subject to the above.

4. Strip

All teams must wear numbered shirts with **no duplication of numbers**. The visiting team (as per the fixture list) shall be the team to change when a clash of strip occurs. .

The RTO will inform the referee, before the game, if the opposing team is not wearing the required alternate strip. The Referee shall note such on the back of the team sheet. If in the referee's opinion it is not fair to play the game, you should contact a member of the ESFA Referees Branch Management Committee or The Standing Committee Chairman. This should only occur where strips are almost identical.

5. Goal Kicks and Corner Kicks

- (A) U10s – U12s is corner kicks shall be taken on the goal line 7 m (approximately 8 yards) from the edge of the penalty area.
- (B) U10s goal kicks shall be taken from an imaginary line drawn through the penalty spot.
- (C) U10s any free kicks to the defending team inside the penalty area, that are between the defenders' goal-line and the penalty spot, shall be taken from an imaginary line drawn from the penalty spot.
- (D) Clubs must ensure that the short corner (i.e. the 7 m mark) is clearly marked on the field.

Opposing players must still be 9.1 metres from the ball and outside the penalty area. Free kicks to the defending team inside this area may also be taken from anywhere within this area. (See diagram below.)

7. Ball Sizes

Under 10 to Under 13	Size 4, 25" - 26" (64cm to 66cm)
Under 14 to All Age	Size 5, 27" - 28" (68cm to 70cm)

8. Grounds

Grounds shall be dressed by the HOME team with (at least) four (4) flags (one in each corner of the field) and two (2) nets and spectator rope barriers spaced a minimum of 1.5 metres outside both sidelines from penalty box to penalty box. Each team must have at least 1 Registered Team Official (RTO) before a match starts. The RTO may be a player for a senior team. A Registered Club Official (RCO) may act in this role. Registered club officials shall be responsible for your safety throughout the day.

If a ground does not have four (4) corner flags then the match must not be played. If the teams cannot provide corner flags within 10 minutes of kick off the match must be abandoned. Please report this on the back of the match card.

Referees will NOT abandon matches where any other equipment is absent.

9. Extension Posts

On some fields you will find goalposts with extensions for rugby games. Any ball striking this framework above the normal crossbar is treated as out of play and the Referee shall award a goal-kick or corner-kick depending on the player who last touched the ball.

10. Spectators

Where ropes are provided, all spectators must be behind them. Spectators are also not permitted along the goal lines.

11. Special Rules For Each Age Group

Under 8's and Under 9s are non-competitive and therefore some different rules apply. Referees should not officiate at this level as these matches are reserved for Cadet Referees; that is trainee referees below the age of 13.

In these age groups only, there is NO offside. All other junior grades use the offside rule.

Part F: Football NSW games

Appointments

Refer to Part C: Appointments.

Referee ID numbers

If asked at any point for your referee ID number, you are required to supply it. Do **not** volunteer your name.

Conduct of Games

The various Football NSW competitions have different rules, so if you are appointed to any Football NSW games make sure you obtain the specific rules and instructions from the Appointments Committee and that you are fully aware of the rules and conditions applying to your particular game before officiating. The Football NSW website, www.footballnsw.com.au, is a useful resource as it usually contains the various competitions' rules.
